

## One for the Home Team

GMP did its part in helping with the futures of Singapore's heroes. Some 600 full-time National Servicemen from the Singapore Police Force (SPF) and Singapore Civil Defence Force (SCDF) attended a career fair hosted at the Home Team NS Clubhouse in Bukit Batok on 31<sup>st</sup> January 2007.

Having shed blood and sweat to keep Singapore a more secure nation, GMP is proud to be instrumental to the lives of these civil servants as they make their transition to the private sector.

Their experience with law enforcement and civil defence arms them with unique skills and talent. As recruitment professionals, GMP's expertise could identify and match exiting officers to careers that they are best suited for.

The economy is slated to grow further this year, furthering the upward trend in job creation. In light of this positive direction, GMP continually seeks to marry clients' needs for talent with the most competent job hunters looking for the best opportunity.
